

# FALL KICK-OFF

## Stash-To-Cash Table

You are like the rest of us. Your cupboards and drawers and closets and boxes are overflowing with your stash. For \$10 per table, or \$5 per half table, you can turn your stash into cash at the Fall Kick-off Event on September, 11, 2010. As a courtesy to our vendors, you may sell sewing items only, no completed craft items. Completed forms are due to Anita Marshall by Saturday, August 21. As we expect there will be more requests for tables than are available, there will be a random drawing after August 21 to assign tables. Anita will notify participants after the drawing. Checks will be returned to those not assigned a table. Contact Anita Marshall for further information.
