

Vintage Spectacular

Join us on Saturday, March 13 at the Cameron Park Community Center for our spring event: Vintage Spectacular. Registration will begin at 12 noon. After an always-spectacular potluck luncheon, Cindy Needham will be the guest lecturer, with a show of her whole cloth quilts using vintage table linens. To round out the day we will have our Reduce, Reuse, Recycle Challenge.

On Sunday and Monday, March 14-15 we are having a two-day, hands-on workshop with Cindy. This one-of-a-kind class was created from Cindy's love of creating whole-cloth vintage linen quilts. She will teach students how to pick out designs, work with damaged or stained linens, use special binding techniques, choose threads, and finish the back. This workshop will be held at The Old General Store in Drytown.
